UGC releases SOPs to roll out credit system

NEW DELHI: The University Grants Commission (UGC) has NEW DELHI: The University of Grants Commission (UGC) has released the Standard Operating Proceedures (SOPs) for the implementation of the National Credit Pramework (NCrP), setting out the North Commission of the North Comm

credits, facilitating multiple entries and exits in education and shilling system, and will apply from school to PhD level. According to the NCTF guide-lines, one credit is swarded for tutorial per week. Alternatively, we hours of practical or fleld work per week, or three hours of experiential learning per week can also be equated to one credit. Over the course of a semester, one credit corresponds to 15 hours of theoretical instruction. 30 hours of practical weeker of the sessions, or 45 hours of experiential learning.

notified by the UGC, marks a sig-nificant step towards our shared vision of a dynamic, lifelong edu-cation system that empowers learners with relevant skills and knowledge for the 21st century." said UGC Chairman M Jugadesh Kumar.

Cumar. The NCrF sets a total of 1200 The NGF sets a total of 1200 notional (estimate of hours required to complete classes, honework, etc) learning hours per year across these educational sectors, with 40 credits awarded upon successful completion. Students can earn additional credits by taking extra courses and projects. The framework was approved by the Centre in April last year under the National Education Policy (NEP) 2020, with a High Level Comunitate being formed shortly afterwards. The NCIP provides multiple entry and exit points, which means that life a student which to halt their studies for some time they can do so and resume non-they can do so and resume non-

points.

This also means that a student wishing to switch to some other institute, vocation, or even a grade may do so provided they have enough credit points corre-

sponding to the rules.

The core courses and NCrF levels from a student's previous program will need to be mapped to the new program. If core courses align, transfers should course align, transfers should be match, the receiving institution may still accept the student but must provide a bridge course to address any agas. UGC chief Kumar said he hopes the framework would enhance transparency and flexibility in education and contribute to providing skilled manpower to support India's economic growth. However, some academics raised
