

## Independent Auditors' Report

**To the Members of  
PHFL Home Loans and Services Limited**

### Report on the audit of the Financial Statements

We have audited the Financial Statements of PHFL Home Loans and Services Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and the statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Board's report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact with those charge with the governance. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- planning the scope of our audit work and in evaluating the results of our work; and
- to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure

'T a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'II'.
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on the financial position in its Financial Statements – Refer Note 30 to the Financial Statements.
  - ii. The Company did not have any long-term contracts including any derivative contracts for which there were any material foreseeable losses;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
  - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable. As stated in Note 14.4 to the Financial Statements, the Board of Directors of the Company has proposed final dividend for this financial year which is subject to the approval of the members at the ensuing Annual General Meeting. Such dividend proposed is in accordance with Section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. The Audit Trail has been maintained as per the statutory requirements for the records retention as per proviso to Rule 3(1) of the Companies (Accounts Rules) 2014.
3. In our opinion and to the best of our information and according to the explanations given to us, no managerial remuneration has been paid or provided by the Company during the year.

### **Annexure 'P' to the Independent Auditors' Report**

(Referred to in Paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date)

- i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property plant and equipment.  
  
(B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) The Property, Plant and Equipment have been physically verified by the management as per the regular program of verification which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company), and accordingly, reporting under clause 3(i)(c) of the Order is not applicable.
- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Therefore, the provision of clause 3(i)(d) of the Order is not applicable.
- (e) According to information and explanations given by the management and based on examination of the records, the company does not have any immovable property and no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Therefore, provisions of clause 3(1)(e) of the Order are not applicable to the Company.
- ii) (a) The company is in the business of rendering services and, consequently, does not hold any inventory. Therefore, the provision of clause 3(ii)(a) of the order are not applicable to the company
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current asset, and accordingly clause 3(ii)(b) of the order are not applicable.
- iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act for the financial year 2025-26, and accordingly clause 3(iii)(a), (b), (c), (d), (e) and (f) of the order are not applicable.
- iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no loans, investments, guarantees and security in

respect of sections 185 and 186 of the companies Act. 2013, accordingly requirement to report on clause 3 (iv) of the Order is not applicable to the company.

v) In our opinion and according to the information and explanations given to us, the Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposited within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extend applicable. Accordingly requirement to report on clause 3 (v) of the Order is not applicable to the company.

vi) The provisions of sub-section (1) of section 148 of the Act are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products of the Company. Accordingly, the provisions stated in paragraph 3 (vi) of the Order are not applicable to the Company.

vii) (a) According to the information and explanations given to us, the Company has been regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Cess and other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2026 for a period of more than six months from the date they become payable.

(b) According to the information and explanations given to us and based on our examination of the records of the Company by us, there is no statutory dues referred to in sub- clause (a) on account of any dispute except the following:

(Amount in Lacs)

| Name of Statue         | Nature of disputed dues              | Amount | Period to which it Relates | Forum where Dispute is pending          |
|------------------------|--------------------------------------|--------|----------------------------|-----------------------------------------|
| Income Tax Act         | Income Tax Demand/ Penalty/ Interest | 26.76  | AY- 2020-21                | CIT (Appeals)                           |
| Goods And services Act | Penalty                              | 775.83 | AY 2019-20                 | Directorate General of GST Intelligence |

viii) According to the information and explanations given to us, no income has been surrendered or disclosed, which is not recorded in the books of accounts, during the year found in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) Based on the information and explanations given to us, we are of the opinion that the Company has not availed any loan from the financial institutions, banks or debenture holders. Also, the Company did not have any outstanding loans and borrowings from government during the year. Accordingly, the provision stated in clause 3(ix)(a) of the Order is not applicable to the Company.

- (b) According to the information and explanations given to us and on the basis of our audit procedures, the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority during the year.
- (c) According to the information and explanations given to us and on the basis of our audit procedures, the company does not have any outstanding term loan at any point of time during the year, hence clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, the Company does not have any subsidiaries, associates or joint venture, hence clause 3(ix)(e) is not applicable to the company.
- (f) According to the information and explanations given to us and procedures performed by us, the Company does not have any subsidiaries, associates or joint venture, hence clause 3(ix)(f) is not applicable to the company.
- (x) (a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (x) (a) of the Order are not applicable to the Company
- (b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not allotted Preferential shares (section 62) or raised money by way of Private placement (section 42) or convertible debentures (fully, partially or optionally convertible), during the year.
- (xi) (a) During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received whistle-blower complaints during the year, hence whether the auditors have considered the complaints does not arise.
- (xii) In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details have been disclosed in the Financial Statements, as required by the applicable accounting standards.
- (xiv) (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions stated in paragraph 3(xv) of the Order are not applicable to the Company
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934
- (b) The Company has not conducted non-banking financial or Housing finance activities during the year.
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, hence whether the company has fulfilled the criteria of CIC does not arise.
- (d) Based on the information and explanations provided by management of the company, the group has no CICs as part of Group.
- (xvii) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has not been any resignation of the statutory auditors during the year, hence para 3 clause (xviii) is not applicable.
- (xix) According to the information and explanations given to us and based on our examination of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report and the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

(xx) (a) In respect of other than ongoing projects, as at balance sheet date, the company does not have any amount remaining unspent under section 135(5) of the Act.

(b) The company will transfer the amount of corporate social responsibility remaining unspent under subsection (5) of section 135 of the Act pursuant to ongoing project/(s) to a special account in compliance with the provision of subsection (6) of section 135 of the Act. Details are given below:

| (Amount in Lacs) |                                                      |                                                                                                                                                     |
|------------------|------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Financial Year   | Amount to be spent in accordance with section 135(5) | Amount remaining unspent as at the year end to be transferred to special account under section 135(6) within 30 days from the end of financial year |
| 2025-2026        | 29.18                                                | 14.56                                                                                                                                               |

(xxi) Clause XXI of this report is not applicable, since the company does not have a subsidiary, associate company, Joint venture during the financial year

## **Annexure 'II' to the Independent Auditors' Report**

(Referred to in Paragraph 2(f) under the heading "Report on other legal and regulatory requirements" of our report of even date)

Report on the Internal Financial Controls under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of PHFL Home Loans and Services Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

## Meaning of Internal Financial Controls with reference to the Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

## Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**1. Corporate and other information**

**1.1 Overview**

PHFL Home Loans and Services Limited (CIN:U67200DL2017PLC322468) ("PHFL" or "the Company") was incorporated on August 22, 2017, as a wholly owned subsidiary of PNB Housing Finance Limited.

The Company is primarily engaged in the business of rendering of professional /consultancy services including sourcing, marketing, promoting, publicising, advertising, soliciting, distributing any kind of financial instruments or classes of insurance product , syndicated credit products , investment products and wealth products. The Company's registered office is at 207 & 209, 2nd floor, Antriksh Bhawan, 22, K.G.Marg, New Delhi - 110001.

The financial statements are approved and adopted by the Board of Directors of the Company in its meeting held on April 17, 2026. However the shareholders have the power to amend the financial statement after issue.

**1.2 Basis of preparation / statement of compliance**

The financial statements have been prepared on a historical cost basis, except for fair value of financial instruments held for trading, all of which have been measured at fair value.

The financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, notified under section 133 of the Companies Act 2013.

The standalone financial statements are prepared in accordance with provision contained in section 129 of the Companies Act 2013, read with Division II of Schedule III as amended from time to time. The Statement of Cash Flows has been prepared and presented as per Ind AS 7 "Statement of Cash Flows".

**1.3 Functional and presentation currency**

These financial statements are presented in Indian Rupees (₹) which is also the Company's functional currency and all amounts are rounded to the nearest lacs and two decimals thereof, except when otherwise indicated.

Accounting policies have been consistently applied except where a newly-issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

**2. MATERIAL ACCOUNTING POLICIES**

**2.1 Use of estimates, judgements and assumptions**

The preparation of financial statements in accordance with Ind AS requires management to make judgement, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets or liabilities in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are known or materialized.

Some of the judgements, which have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are:

**a) Fair value of financial instruments**

The fair value of financial instruments is the price that would be received upon selling of an asset or paid upon transfer of a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

**b) Impairment of financial asset**

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk.

These estimates are driven by a number of factors, changes in which can result in different levels of allowances. (Refer note 2.15).

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**c) Provisions and other contingent liabilities**

The Company operates in a statutory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. Cases where Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows probable, it recognises a provision against the same. Where the probability of outflow is considered remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed for the same.

**d) Deferred tax assets**

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.

**e) Useful Life of Property, Plant and Equipment (PPE) and Intangible assets**

The Company reviews its estimate of the useful life of PPE and intangible assets at each reporting date, based on the expected utility of the PPE and intangible assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of PPE and intangible assets. In case of a revision of useful life, the unamortised depreciable amount is charged over the remaining useful life of the PPE and intangible assets.

**f) Defined benefit plans**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**2.2 Operating cycle**

Based on the nature of its activities, the Company has determined its operating cycle as 12 months for classification of its assets and liabilities as current and non-current.

**2.3 Statement of Cash flow**

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**2.4 Cash and cash equivalents**

Cash comprises cash-on-hand and demand deposits with banks. Cash equivalents are short-term deposits with banks (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.

**2.5 Revenue recognition**

2.5.1 Commission Income, Brokerage Income, Management fee, Income from Service Charge etc., are recognised in accordance with the terms of the relevant contracts / agreements and when it is probable that the Company will collect the consideration.

2.5.2 Interest income on all trading assets measured at FVTPL is recognised using the contractual interest rate under interest income and the fair value impact is recognised in net gain / loss on fair value changes.

2.5.3 Interest on tax refunds or other claims where quantum of accruals cannot be ascertained with reasonable certainty, are recognised as income only when revenue is virtually certain which generally coincides with receipts.

**2.6 Property, plant and equipment (PPE)**

PPE are stated at cost (including incidental expenses directly attributable to bringing the asset to its working condition for its intended use) less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure related to PPE is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

An item of PPE and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**2.7 Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost and are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of item can be measured reliably. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses (if any).

**2.8 Depreciation / Amortisation**

**Depreciation on property, plant and equipment**

Depreciation on PPE is provided on straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

All PPE individually costing ₹ 5,000/- or less are fully depreciated in the year of purchase.

Depreciation on additions to PPE is provided on a pro-rata basis from the date the asset is ready for use. Depreciation on sale / derecognition of PPE is provided for up to the date of sale / derecognition, as the case may be.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

**Amortisation on intangible assets**

Intangible Assets are amortised over a period of five years except website development costs which are amortised over a period of three years on a straight-line basis from the date when the assets are available for use.

The amortisation period and the amortisation method for these Intangibles with a finite useful life are reviewed at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for by changing the amortisation period or methodology, as appropriate, which are then treated as changes in accounting estimates.

**2.9 Employee benefits**

**2.9.1 Short-term employee benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees (performance incentive) are recognised during the year when the employees render the service.

**2.9.2 Defined Contribution Plan**

Retirement benefit in the form of Provident Fund, Employee State Insurance Scheme and Labour Welfare Fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the Provident Fund, Employee State Insurance Scheme and Labour Welfare Fund. The Company recognises contribution payable to the Provident Fund, Employee State Insurance Scheme and Labour Welfare Fund as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to reduction in future payment or a cash refund.

**2.9.3 Defined Benefit Plan**

The Company has defined benefit plans as Compensated absences and Gratuity for all eligible employees, the liability for which is determined based on actuarial valuation at each year-end using projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service, costs are recognised in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs.

The Company recognises the following changes in the net defined benefit obligation as an employee benefits expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**2.10 Leases**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**Company as a lessee**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

**Right-of-use assets**

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

**Lease Liability**

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses an estimated incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

**Short-term leases and leases of low-value assets**

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

**2.11 Earnings per share**

The basic earnings per share is computed by dividing the net profit or loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and the weighted average number of equity shares, which could have been issued on the conversion of all dilutive potential shares. In computing, dilutive earnings per share, only potential equity shares that are dilutive and that reduces profit per share are included.

**2.12 Taxes**

Tax expense comprises current and deferred tax.

**a) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with Income tax Act, 1961, Income Computation and Disclosure Standards and other applicable tax laws. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Current tax assets and liabilities are offset if a legally enforceable right exists to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**b) Deferred tax**

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity.

**c) Goods and Services Input Tax Credit**

Goods and Services tax input credit is recognised in the period in which the supply of goods or service received is recognised and the conditions to avail the credit are fulfilled as per the underlying law.

**2.13 Provisions , contingent liabilities and assets**

2.13.1 Provisions are recognised when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.13.2 The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent liability is disclosed in case of –

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past events, when no reliable estimate is possible.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent liabilities are reviewed at each balance sheet date.

2.13.3 Contingent Assets are neither recognised nor disclosed in the financial statements.

**2.14 Impairment of non financial assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

**2.15 Financial instruments**

A financial instrument is any contract that give rise to a financial assets of one entity and financial liability or equity instrument of another entity.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**2.15.1 Financial assets**

**Initial recognition and measurement**

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Financial assets, which are not carried at amortised cost or fair value through other comprehensive income are subsequently fair valued through profit or loss.

**Derecognition**

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the assets expires or it transfers the financial assets and substantially all the risks and rewards of ownership of the assets to another entity.

**Impairment of financial assets**

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates.

If credit risks has not increase significantly 12 months ECL is used to provide the impairment loss. If credit risks has increased significantly lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risks since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expenses in the statement of profit and loss, and the cumulative ECL as on the reporting date shall be netted off from underlying receivables.

**2.15.2 Financial Liabilities**

**Initial recognition and measurement**

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for trading or it is designated as on initial recognition to be measured at FVTPL. All financial liabilities, other than classified at FVTPL, are classified at amortised cost in which case they are initially measured at fair value, net of transaction costs and subsequently at amortised cost using effective interest rate.

**Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

**2.16 Write offs**

The Company undertakes write off of receivables, in full or in part, when the amount is construed as irrecoverable after enforcement of available means of resolution. The authority of write off is vested with senior officials of the Company.

**2.17 Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). CODM is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decision. The Company's operations predominantly consist of rendering of professional /consultancy services. Hence there are no reportable segments under Ind AS – 108.

**2.18 Foreign Currency**

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency denominated monetary assets and liabilities are translated at the functional currency spot rates of exchange at the reporting date and exchange gains and losses arising on settlement and restatement are recognized in the statement of profit and loss account.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of initial recognition.

**2.19 Dividend**

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the Shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

The Company has one class of equity shares having a par value of ₹ 10/- per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of the liquidation of the Company, the equity shareholders are eligible to receive the remaining assets of the Company after the distribution of all preferential amounts, in proportion to their shareholding.

The Company has not allotted any share pursuant to contracts without payment being received in cash, bonus shares nor has it bought any shares during the period of five years immediately preceding the reporting date.

The Company has not:

- issued any securities convertible into equity / preference shares,
- issued any shares where calls are unpaid,
- forfeited any shares.

**Note 14.1:** Reconciliation of number of shares outstanding and the amount of share capital at the beginning and end of the year:

**Note 22.1:** On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, consolidating twenty nine existing labour laws. The Labour Codes, amongst other things introduces changes including a uniform definition of wages. The Ministry of Labour & Employment published Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed the financial impact of these changes which has resulted an increase of ₹ 130.79 lacs in the gratuity liability arising out of the past service cost.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**Note 32: Disclosure in respect of Employee Benefits:**

In accordance with Indian Accounting Standards on "Employee Benefits" (Ind AS 19), the following disclosure have been made:

**Note 32.1:** The Company makes contributions towards provident fund to a defined contribution retirement benefit plan for qualifying employees. Under the plan, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit plan to fund the benefits. The contribution has been recognised in the Statement of Profit and Loss which are included under "Contribution to Provident Fund and Other Funds" in Note 23.

| Particulars                                    | Current Year<br>(₹ in Lacs) | Current Year<br>(₹ in Lacs) |
|------------------------------------------------|-----------------------------|-----------------------------|
| Contribution to Provident Fund and Other Funds | 1,205.95                    | 1,085.22                    |

**Note 32.2 : Defined Benefit Plans**

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. For employees on the Company's payroll the scheme is funded and the same is managed by Kotak Mahindra Life Insurance Limited. For contractual employees the liability is unfunded. The liability of Gratuity is recognised on the basis of actuarial valuation.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at March 31, 2026. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

**Risks associated with defined benefit plan**

**Interest rate risk:** A fall in the discount rate, which is linked to the Government Securities rate, will increases the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

**Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salary of members. As such, an increase in the salary of the members more than assumed level may increase the plan's liability.

**Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

**GRATUITY LIABILITY**

**Change in present value of obligation**

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**Note 34: Risk management**

The Company's business activities exposed to a variety of risks viz., market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of these risks and to address the issue in order to minimize the potential adverse effects on its financial performance.

The Company's risk management is an integral part of how to plan and execute its business strategies.

**Note 34.1 : Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market variables. Changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity and other market changes. The Board approved investment policy defines the exposure limits to a particular entity /counterparty as well as type of securities.

**Note 34.1.1 : Total market risk exposure**

**Note 34.1.2 : Interest rate risk**

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The Company's policy is to monitor positions on a regular basis and hedging strategies are used (if required) to ensure positions are maintained within the established limits.

The following tables assess the sensitivity of the assets over the profit and loss with change in interest rates.

| Areas       | Financial year | Increase /<br>(decrease) in<br>basis points | (₹ in Lacs)                       |
|-------------|----------------|---------------------------------------------|-----------------------------------|
|             |                |                                             | Sensitivity of profit<br>& (loss) |
| Investments | 2025-26        | 50 bps / (50) bps                           | 0.67 / (0.67)                     |
|             | 2024-25        | 50 bps / (50) bps                           | 0.20 / (0.20)                     |

**Note 34.2 : Credit risk**

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments and other financial assets.

At each reporting date, the Company assesses the loss allowance (if any) for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**Trade receivables**

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which is summarised in table below. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company uses expected credit loss model to assess the impairment loss. The Company uses the historical experience for customers to compute the expected credit loss allowance for trade receivables and unbilled revenues.

(i) **Provision for expected credit losses**

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates

For financial assets, a credit loss is the difference between:

- (a) the contractual cash flows that are due to an entity under the contract; and
- (b) the cash flows that the entity expects to receive

The Company recognises in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date in accordance with Ind AS 109.

In determination of the allowances for credit losses on trade receivables, the Company has used a practical expedience by computing the expected credit losses based on ageing matrix, which has taken into account historical credit loss experience and adjusted for forward looking information. Receivable from holding company are considered to be risk free, hence no provision has been created against the same.

(ii) **The movement of Trade Receivables are as follows:**

| Particulars                | As at<br>March 31, 2026<br>(₹ in Lacs) | As at<br>March 31, 2025<br>(₹ in Lacs) |
|----------------------------|----------------------------------------|----------------------------------------|
| Trade Receivables (Gross)  | 3,688.98                               | 3,795.90                               |
| Less: Expected Credit Loss | -                                      | -                                      |
| Trade Receivables (Net)    | 3,688.98                               | 3,795.90                               |

**Investments and other financial assets**

Credit risk arising from investments and balances with banks is limited because the counter parties are banks and approved funds managed by professionals fund managers with high credit worthiness. The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Investments of surplus funds are made only with approved counterparties. The maximum exposure to credit risk for these components as at March 31, 2026 is ₹ 10,237.19 lacs (March 31, 2025 is ₹ 13,519.30 lacs).

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no outstanding borrowings. The Company believes that the working capital is sufficient to meet its current requirements.

**Note 35: Key ratios**

| Particulars                      | As at<br>March 31, 2026 | As at<br>March 31, 2025 |
|----------------------------------|-------------------------|-------------------------|
| Current Ratio                    | 4.68                    | 5.94                    |
| Debt-Equity Ratio                | Not Applicable          | Not Applicable          |
| Debt Service Coverage Ratio      | Not Applicable          | Not Applicable          |
| Return on Equity Ratio           | 11.62%                  | 8.93%                   |
| Inventory turnover ratio         | Not Applicable          | Not Applicable          |
| Trade Receivables turnover ratio | 0.99                    | 1.16                    |
| Trade Payables turnover ratio    | 0.91                    | 0.61                    |
| Net Capital turnover ratio       | 2.00                    | 1.61                    |
| Net profit ratio                 | 5.64%                   | 5.30%                   |
| Return on Capital employed       | 16.17%                  | 10.30%                  |
| Return on investment             | 7.20%                   | 7.81%                   |

**Explanation to the ratios:**

**Current Ratio:** Current Assets (numerator) is divided by current liabilities (denominator). Current ratio decreased due to decrease in cash and bank balances primarily on account of payment of dividend.

**Return on Equity Ratio:** Return (numerator) is net profit earned after tax. Average shareholder's equity (denominator) includes average of opening and closing equity share capital and reserves. Return on equity increase due to increase in profitability and reduction average shareholder equity on account of payment of dividend.

**Trade Receivables turnover ratio:** Net credit sales (numerator) is trade receivable. Average trade receivable (denominator) include average of opening and closing trade receivables. Trade receivable turnover ratio has decreased on account of decrease in receivables.

**Trade Payable turnover ratio:** Net credit purchase (numerator) is trade payable. Average trade payable (denominator) include average of opening and closing trade payables. Trade payable turnover ratio has been increased on account of decrease in creditors and increased in average trade payables.

**Net Capital turnover ratio:** Revenue from operations (numerator) is divided by shareholders equity (denominator). The Capital turnover ratio has increased on account of increase in revenue from operations and reduction average shareholder equity on account of payment of dividend.

**Net profit ratio:** Net profit for the year (numerator) is divided total revenue for the year (denominator). The net profit ratio has increased on account of increase in profitability.

**Return on Capital employed:** Earning before interest and taxes (numerator) is divided by the capital employed (denominator). Capital employed is calculated by subtracting current liabilities from total assets. Return on Capital employed has increased on account of increase in profitability.

**Return on Investment:** Income on investment (numerator) is divided by the cost of investment (denominator). The return on investment has decrease on account of decrease in average outstanding investment and lower yield.

**Note 36: Relationship with Struck off Companies**

**PHFL HOME LOANS AND SERVICES LIMITED**  
**Notes to the financial statements for the year ended March 31, 2026**

**Note 39: Amendments issued but not yet effective**

The Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2025, applicable from April 1, 2026 and onwards:

- (i) Ind AS 1- The amendments, effective in tranches from April 1, 2025 and April 1, 2026, clarifies that the Company must possess a substantive right to defer settlement at the reporting date, and only those covenants requiring compliance on or before the reporting date shall affect liability classification, while covenants tested after the reporting date require disclosure without affecting classification. The amendments also clarify the treatment of rollover rights and settlement via equity instruments, thereby aligning Ind AS more closely with the recent IFRS 1 improvements. The Company is evaluating the impact of these amendments, which are not expected to have a material effect on its financial position.
- (ii) Ind AS 118 - Presentation and Disclosure in Financial Statements, formulated in alignment with IFRS 18 and proposed to be applicable for annual reporting periods beginning on or after April 1, 2027. Ind AS 118 will replace the existing Ind AS 1 and is expected to significantly enhance the structure and clarity of financial reporting by introducing five defined categories of income and expenses; new mandatory subtotals in the statement of profit or loss, and expanded requirements for aggregation, disaggregation, and disclosure of management-defined performance measures. The Company is evaluating the impact of new standard on its financial statement presentation.
