Gurugram, 12th June 2026: PNB Housing Finance has partnered with The Earth Saviours Foundation (TESF) to strengthen shelter and healthcare infrastructure for abandoned senior citizens, people requiring cognitive care and specialised support, impoverished women and other vulnerable individuals at Mandawar Shelter Home in Gurugram, Haryana.

Through this initiative, PNB Housing Finance has helped expand shelter, healthcare and energy infrastructure at Mandawar Shelter Home, including the construction of a fully insulated double-storey shelter home, the installation of two 20 KVA off-grid solar plants and the provision of 50 electric medical beds. Together, these interventions are expected to directly benefit around 100 additional residents while strengthening care facilities for nearly 700 individuals.
