NEW DELHI: Nominations for 37 Rajya Sabha seats going to the polls across 10 states later this month were filed on Thursday with contests likely in Odisha and Bihar.

In Maharashtra, where seven seats are falling vacant, the Bharatiya Janata Party fielded four candidates – including Union minister Ramdas Athawale, senior leader Vinod Tawade, Maya Ivnate and Ramrao Wadkute. its ally Shiv Sena fielded Jyoti Waghmare and Nationalist Congress Party nominated Parth Pawar. The Opposition Maha Vikas Aghadi picked senior NCP (SP) patriarch Sharad Pawar as its joint nominee.

With no additional nominees being fielded by the ruling Mahayuti, all seven people are likely to be elected unopposed.

In Bihar, where five seats are up for grabs, the JD(U) fielded chief minister Nitish Kumar and Union minister Ram Nath Thakur. The BJP nominated party chief Nitin Nabin and state general secretary Shivesh Kumar. The NDA also extended support to Rashtriya Lok Manch leader Upendra Kushwaha. The opposition RJD fielded businessman-

Congress candidates Abhishek Manu Singhvi and Vem Narender Reddy file their third set of nomination papers for the Rajya Sabha in Hyderabad on Thursday.

turned-politician Amarendra Dhari Singh for the fifth seat.

The NDA has enough votes to win four seats outright. For the fifth seat, it needs three Opposition votes. In Odisha, the BJP fielded state unit chief Manmohan Samal and sitting MP Sujet Kumar. The Opposition Biju Janata Dal picked Santrupt Mishra. For the fourth seat, the ruling party backed former minister Dilip Ray while the BJD and Congress are set to support an independent candidate urologist Dattesar Wota.

For the fourth seat, the BJP needs eight additional votes from the Opposition, which can win the seat if it bands together.

In West Bengal, where five seats are going to the polls, the TMC fielded lawyer Menaka Guruswamy, actor Koel Mallick, singer-turned-politician Babul Supriyo and former state police chief Rajiv Kumar. The BJP has fielded former state unit chief Rahul Sinha. All five are set to be elected unopposed.

In Tamil Nadu, where six seats are falling vacant, the DMK has nominated Tiruchi Siva and Professor J Constantine Ravindran, while its allies Congress and DMKD have named Christopher Tilak and LK Sudeesh, respectively. The AIADMK has nominated M Thambidurai, and its ally the PMK has fielded

Anbumani Ramadoss. All are set to be elected unopposed.

In Assam, where three seats are going to the polls, the BJP has nominated Terash Gowalla, and Jogen Mohan, while its ally United People's Party Liberal has fielded Pramod Boro.

In Chhattisgarh, where two seats are going to polls, the ruling BJP has nominated Laxmi Verma while the Congress has fielded Phulo Devi Netam. Both are set to be elected unopposed.

In Telangana, the ruling Congress has nominated Abhishek Singhvi and Vem Narender Reddy for the two seats and both are set to get elected unopposed, as the BRS stayed away from the contest.

US WON'T ALLOW INDIA TO BECOME RIVAL LIKE CHINA, SAYS OFFICIAL

NEW DELHI: The US won't give India the same kind of economic advantages it gave China, which allowed that country to emerge as a major competitor, deputy secretary of State Christopher Landau said on Thursday, signalling Washington's cautiousness in negotiations over a trade deal.

While the US wants to work with India to unlock its "limitless potential," India should understand that "we are not going to make the same mistakes with India that we made with China 20 years ago," Landau said at the Raisina Dialogue. Landau also offered to work with India to address long and short term issues in meeting its energy challenges as supply disruptions from the Middle East crisis threaten fuel stockpiles.

India has avoided taking sides in the widening conflict, as it finalizes a trade deal under negotiation since United States President Donald Trump took office. Washington last month cut tariffs on Indian goods to 18% from 50% after several rounds of talks.

Andhra plans incentives for second, third child

Srinivasa Rao Apparasu
letters@hindustantimes.com

HYDERABAD: For decades, India's Union government as well as the governments of states have focused on family planning – with some regions even barring those with more than two children from contesting local-body polls. But now, one state has decided to go in the other direction.

Andhra Pradesh chief minister N Chandrababu Naidu on Thursday announced a comprehensive "Population Management Policy," stating that the government is shifting its focus from traditional family planning to "population care" in view of declining fertility rates and future demographic challenges.

Presenting the draft policy document in the state legislative assembly, Naidu said currently about three lakh families, accounting for 58% of the total number, have only one child, while around 2.17 lakh families have two or more children.

The chief minister explained

CMN Chandrababu Naidu

that the state's Total Fertility Rate (TFR) is currently 1.5, a sharp fall from 3.0 recorded in 1993, whereas the ideal level should be 2.1 to maintain demographic balance. If the TFR continues to decline rapidly, the number of working-age people could reduce significantly, potentially slowing economic growth, he explained.

To be sure, India's TFR is currently at 1.9.

Declining population is of concern to almost all southern states, who are staring at a possible reduction in their proportionate representation in the Lok Sabha after the next delimitation

exercise (which will happen after the ongoing National Census). Naidu himself had spoken of the need for a population policy last year, as did Tamil Nadu chief minister M K Stalin.

"People are our strength. Population is our strongest economic resource. The world is increasingly reliant on countries with large populations. Earlier, I promoted family planning but now I stress the need for population management. To avoid a human resource crisis in the future, the fertility rate in the state must rise. Joint families are disappearing. There's growing concern about the declining population in South India. While Parliament seats may increase in the future, southern states could see reduced representation," Naidu said in July 2025.

The incentives proposed in the new policy include ₹25,000, at the time of birth, for couples having a second or a third child; ₹1000 a month in nutritional support for five years for the third child; and free education up to the age of 18 years for all children.

Baramati crash: CID quizzes VSR owner

Nadeem Inamdar

letters@hindustantimes.com

PUNE: The Maharashtra Criminal Investigation Department (CID) on Thursday questioned VK Singh — owner of Delhi-based VSR Ventures that owned the Learjet 45 that crashed on January 28, killing deputy chief minister Ajit Pawar.

"The questioning of VK Singh is expected to be a crucial step in the probe as investigators attempt to piece together the chain of events that led to one of Maharashtra's most high-profile aviation tragedies in recent years," a CID officer aware of the developments said.

The official added that Singh arrived at CID headquarters in Pune around noon and remained there till late evening.

Former DyCM Ajit Pawar and four others died in the January 28 plane crash in Baramati.

ing.

A senior CID officer confirmed that Singh had appeared before investigators. "The statement of VK Singh is being recorded," the officer said, declining to disclose further details as the questioning was underway.

The crash occurred on Janu-

ary 28 when a Learjet 45 aircraft operated by VSR Ventures went down near the Baramati airstrip in Pune district. Pawar and four others on board were killed in the accident.

Initially, an accidental death report was registered at the Baramati Taluka police station. The case was later transferred to the Pune unit of CID for a detailed probe.

Investigators are examining whether sabotage, operational lapses or criminal negligence contributed to the crash.

According to people familiar with the matter, CID had sent a detailed questionnaire to VSR Ventures before summoning Singh for questioning. Investigators are examining technical, operational and procedural aspects related to the flight.

The probe has also been informed by a preliminary

report submitted by the Aircraft Accident Investigation Bureau. The 22-page report noted that visibility at the time of landing was below the required level. It also flagged faded runway markings and the presence of loose gravel on the runway surface at the Baramati airstrip as possible contributing factors.

However, the findings have triggered political controversy.

Ajit Pawar's son Jay Pawar recently shared a video on social media alleging that VK Singh's son Rohit Singh was purportedly seen dozing off in the chief pilot's seat during a flight, and demanded his immediate arrest.

He had also demanded that all aircraft of VSR Ventures be grounded till the inquiry into his father's plane crash is completed.

{ IN GULF SCHOOLS } CBSE EXAMS CANCELLED FOR CLASS 10, DEFERRED FOR CLASS 12

Sanjay Maurya

letters@hindustantimes.com

NEW DELHI: The Central Board of Secondary Education (CBSE) on Thursday cancelled Class 10 board examinations including those papers which were earlier postponed in several West Asian countries in the wake of the war between Iran and US and Israel.

The board will later notify the mode of declaration of results for thousands of affected students studying in over 150 CBSE-affiliated schools in Bahrain, Iran, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates (UAE).

For Class 12, the board has postponed the March 7 examination and said it will "review the situation" the same day before taking a call on papers scheduled from March 9 onwards.

In its third circular this week, dated March 5, 2026, the Board said that after a "critical review" of the situation in Middle East regions, the board announced that all Class 10 examinations scheduled from March 7 to March 11, 2026, stand cancelled. The examinations earlier scheduled on March 2, March 5 and March 6—which had already been postponed through earlier circulars issued on March 1 and March 3—have also been cancelled.

"The mode of declaration of results for Class 10 students in the Middle East will be notified in due course," said CBSE exam controller Dr Sanyam Bhardwaj.

According to the circular, Class 12 examination scheduled on Saturday, March 7, has been postponed. CBSE officials did not respond to HT's queries.

SILCHAR: An Indian Air Force (IAF) Sukhoi-30 MKI fighter aircraft lost radar contact on Thursday evening shortly after taking off from the airbase in Assam's Jorhat, prompting a search and rescue operation for the aircraft and its two pilots, defence officials said.

The aircraft was last in contact with ground control at around 7.42 pm before it went off radar, the officials said.

"The aircraft had two pilots on board and there has been no contact with them so far. Search operations have been launched to locate the aircraft and the pilots," an IAF official said on condition of anonymity.

The Sukhoi-30 MKI is one of the Indian Air Force's frontline multirole fighter aircraft

A defence PRO confirmed that an aircraft is currently missing and that teams have been dispatched to ascertain the situation.

The Indian Airforce (IAF) on its official X handle wrote, "An IAF Su-30 MKI is reported overdue. The aircraft had taken off from Jorhat, Assam and was last in contact at 7.42 pm. Further

details are being ascertained. Search and Rescue mission has been initiated."

Around the same time, reports emerged from Karbi Anglong district of a loud explosion-like sound heard from a remote hill area near Nilip block under Chokihola. Local residents said they heard the sound in the evening and later noticed smoke rising from the hills. Authorities have not confirmed whether the reported sound and the missing fighter jet are linked.

Security forces and search teams have begun operations in the hilly terrain to verify the reports and locate the aircraft. Officials said the area is remote and difficult to access, which could make the search operation challenging.

The teacher, Shyamali Choudhary (53), sustained minor injuries and was discharged after primary treatment.

Navi Mumbai Municipal Corporation said 11 students were inside the flat at that time. Officials said a probe is on.

Srinivasa Rao Apparasu

letters@hindustantimes.com

HYDERABAD: Muppala Lakshmana Rao alias Ganapathy, the most-wanted leader of the Communist Party of India (Maoist), is likely to surrender before the Telangana Police in a few days, officers aware of the matter said on Thursday.

According to a senior police officer, Ganapathy, 77, who had been suffering from serious health issues and was hiding in Nepal for the last two years, had been brought to New Delhi a few days ago and kept under the protection of the special intelligence

branch (SIB) of police.

"Senior Telangana police officers have been camping in Delhi for the last two days and were overseeing the surrender process for Ganapathy," the official said. On Wednesday, Telangana chief minister A Revanth Reddy, along with the DGP, intelligence additional DGP and SIB chief, met Union home minister Amit Shah and briefed him about the recent surrender of top Maoist leaders from Telangana and Chhattisgarh, including Thippiri Tirupati alias Devji.

Shah launches digital tools for Census 2027

NEW DELHI: Union home minister Amit Shah on Thursday unveiled the mascots for Census-2027 – Pragati (female) and Vikas (male) — and launched four digital tools to conduct the country's first fully digital decadal enumeration exercise, which begins with the first phase — houselisting operations — starting April 1, the ministry of home affairs (MHA) said.

"The mascots Pragati" (female enumerator) and "Vikas" (male

enumerator) were unveiled to serve as friendly, relatable faces of the Census-2027. These mascots symbolise equal participation of women and men in fulfilling the resolve to make India a developed nation by 2047. Through these mascots, information, objectives and key messages related to Census-2027 will be disseminated in an effective and citizen-friendly manner across diverse sections of society," the MHA said.

Shah also launched four advanced digital tools that have been developed by the Centre for Development of Advanced Computing (C-DAC) to facilitate enumeration operations across the country. The four digital tools are: the Houselisting Block Creator (HLBC) web application for digital mapping using satellite imagery, which will ensure standardised geographic coverage across the country; HLO (Houselisting operations) mobile application, which is a secure offline

mobile app for enumerators to collect and upload houselisting data; a Self-enumeration (SE) portal that will for the first time allow users to submit their household information online before field operations; and core of the Census, the Census Management and Monitoring System (CMMS), a dedicated digital portal engineered to orchestrate one of the largest administrative exercises in the world.
