

Telangana man injured in attack near Abu Dhabi airport; parents seek safe return

New Delhi, Agency: A man from Telangana suffered minor injuries following an attack by Iran near the Abu Dhabi airport, amid the ongoing conflict in West Asia, his parents said on Wednesday. N Rajeswara Rao, a native of Pothreddypalle village in Rajanna Sircilla district, was injured in the incident, his father Prabhakar Rao said.

Rao, who works in the housekeeping section at the airport, informed his parents that he and several others escaped with minor injuries.

"My son has been working there for a year. He works at the airport. He sustained injuries in the attack. He spoke to us over a video call, but he is not showing us the injuries. I want my son to return home soon," Prabhakar Rao told PTI Videos.

Rao's parents urged the Indian government to take steps to ensure their son's safe return. A group of passengers who arrived at the Rajiv Gandhi International Airport in Hyderabad from Jeddah, Saudi Arabia, said they did not face any difficulties due to the prevailing situation in the Gulf region.

Pilgrims who had travelled to Madina expressed satisfaction with the facilities and arrangements.

Mohd Abdul Razak told PTI Videos that his return to Hyderabad was delayed due to flight cancellations. However, he said the travel agency had taken care of his accommodation and other arrangements.

Divorce can't be granted citing cruelty based on WhatsApp chat without rebuttal chance to spouse: HC

New Delhi, Agency: Divorce cannot be granted on grounds of alleged cruelty merely based on WhatsApp chats without giving the spouse a chance to rebut, the Bombay High Court has said.

A bench of Justices Bharati Dangre and Manjusha Deshpande last week quashed an order passed by the Nashik district family court allowing an application filed by a man seeking divorce from his wife on grounds of cruelty. The woman moved the high court, challenging the family court order claiming that the same was passed ex-parte and without giving her an opportunity to oppose or put forth her arguments.

The family court, in its May 2025 order, relied on a WhatsApp chat submitted by the man in which the woman demanded that they shift from Nashik to Pune to live separately, and also in which she allegedly made derogatory comments against her mother-in-law and sister-in-law. The family court noted that the wife had used pressure tactics, emotional blackmail and intemperate language in the WhatsApp chat and held that cruelty was meted against the husband and hence he was entitled to divorce.

The high court, in its order, noted that the family court failed to give an opportunity to the wife to rebut the evidence (WhatsApp chats) submitted by the husband. "Merely relying on the WhatsApp chat, the divorce decree cannot be granted, since it is not proved by leading evidence," the HC said.

'Father didn't know minor son took car', says court, grants bail to businessman in accident case

New Delhi, Agency: A Mumbai court has granted bail to a businessman arrested in connection with a fatal car accident caused by his minor son, noting that prima facie the father had no knowledge of the boy taking out the vehicle for a drive.

Additional Sessions Judge R M Jadhav on Wednesday allowed his bail on a bond of Rs 50,000 and mainly relied on the statement of a watchman of the building where the businessman resides while granting him relief. The accident occurred on February 5 near Somaiya College in Mumbai's Ghatkopar area. As per police, the minor son of the businessman was driving a Kia Seltos when it collided with a scooter, leading to the death of its rider Dhruvil Patel. The deceased victim's wife Meenal, who was riding pillion, suffered grievous injuries in the crash. The boy's father was arrested on February 10 and booked under Bharatiya Nyaya Sanhita provisions related to rash driving, culpable homicide not amounting to murder, act endangering life and safety of others, as well as relevant sections of the Motor Vehicles Act. The accused, through his advocate Manish Singh, had argued in the court that he was neither present at the accident spot nor driving the vehicle at the relevant time.

PARBHAT HEDLINE

Kekri. The issue of the Maternal and Child Health (MCH) Hospital constructed at the Government District Hospital in Kekri was raised in the State Assembly. Kekri MLA Shatrughan Gautam brought up the matter and sought a reply from the government and the concerned department.

The MLA questioned that despite the construction of the Maternal and Child Hospital building, it has not yet been

formally handed over to the medical department. He also raised concerns over the inauguration of the facility before the completion of the work. Gautam alleged that the

inauguration was conducted in haste even before the project was fully completed. He further demanded an inquiry into the matter and appropriate action against the responsible departmental officials.

He also alleged that a foundation plaque was installed hurriedly before the enforcement of the Model Code of Conduct. The MLA urged the government to ensure transparency and accountability in such important healthcare projects so that better medical facilities can be provided to the public.

West Asia crisis: 38 Indian ships stuck in Persian Gulf; 3 sailors dead

NEW DELHI/MUMBAI, Agency: Thirty-eight Indian flagged ships, mostly carrying crude and LNG with nearly 1,100 seafarers, were stuck in the Persian Gulf on Tuesday amid the conflict in West Asia.

Shipping authorities here also confirmed the death of three Indian sailors and injury to one on board foreign-flagged vessels in "attacks" off the Oman port.

There are around 23,000 Indian seafarers on different ships in the conflict-hit region at any given time and their safety remains the government's priority, officials said. India is the third largest supplier of seafarers after the Philippines and China.

1k containers stuck at Indian ports amid West Asia crisis: Shipping minister Sarbananda Sonowal chaired a review meeting on Tuesday and directed officials, including DG Shipping, to take steps to ensure

the safety and welfare of Indian seafarers as well as the security of maritime assets. "There have been no confirmed instances of casualty, detention or boarding involving Indian-flagged vessels," DG Shipping said in a statement.

The minister and officials were briefed by DG Shipping on the situation in the region, and on the status of Indian flagged ships and Indian seafarers. Officials informed the ministry that 24 ships are stranded west of Strait of Hormuz and another 14 in the east of the strait.

Maharashtra transporters to launch stir against e-challans; indefinite strike from Thursday midnight

New Delhi, Agency: Transporters across Maharashtra have announced a statewide "chakka jam" from Thursday to protest against e-challans and other issues faced by the sector, and an indefinite strike from midnight.

After the last round of negotiations held at the Maharashtra Transport Commissioner's office on Wednesday evening remained inconclusive, the Maharashtra Transport Action Committee (M-TAC) said it would go ahead with the strike.

According to M-TAC representatives, transporters will stage protests at Azad Maidan in Mumbai and outside the Regional Transport Office (RTO) premises in other parts of the state before going on strike from mid-

night.

M-TAC said school buses, contract carriage buses, private buses and commercial vehicles, including trucks, tempos, taxis and tankers, would remain off the roads during the indefinite agitation. The transporters have also threatened to bring their vehicles to protest sites. Anil Garg, a leader of the School Bus Owners Association, had said on Wednesday that school buses across the state would not operate from Friday if the indefinite strike happened, though their services would remain unaffected

on Thursday.

Earlier this week, Maharashtra Transport Minister Pratap Sarnaik also held a meeting with transporters at the MSRTC headquarters here, but M-TAC said the talks remained unfruitful due to what it described as "hollow assurances" from the government.

Sarnaik had appealed to the transporters to withdraw their agitation, stating that the government was positive about cancelling "unjust" e-challans issued to parked vehicles and would take a favourable decision on the matter.

M-TAC said the agitation was being organised against what it termed "arbitrary and excessive" electronic traffic enforcement and the mounting financial burden on the transport sector.

'I have seen the missile': Indian woman from first evacuation flight recounts tense days in Dubai

New Delhi, Agency: An Indian national who returned to India in the first batch of flights from Dubai after air travel resumed has described tense nights, emergency alarms and uncertainty as conflict in the Middle East disrupted travel across the Gulf. Saumya Khandelwal, who had travelled to Dubai for work, said she experi-

enced missile alerts and saw debris during the escalation of hostilities involving Iran, the United States and Israel. "I have seen the missile, and we've seen this debris. And then we've also seen, we've also got alarms in the middle of the night where the government was sending us, the alarms were blaring for us to go to the shelter or to the basement

of the hotel and be there," she said.

"It was 12:13 in the night and we get a huge alarm on our phone and we had to rush to the basement." Khandelwal arrived in Dubai on Wednesday and was scheduled to return to India on Saturday, but her plans were disrupted

when airspace restrictions were imposed amid rising tensions in the region. "I went on Wednesday and I was supposed to come back on Saturday. The afternoon we got to know that the space is

closed," she said. Authorities asked travellers to remain indoors as the situation unfolded. "We were asked by the authorities to be in the hotel and not roam around on the streets.

We were in the hotel. Things were very frightening over there. We were very tense." Despite the uncertainty, she said both local authorities and residents extended support to stranded travellers.
