In case of Fixed Rate of Interest, where the Loan is being Disbursed by PNBHFL to the Borrower(s) in part and there is a change in the rate of Interest subsequent to the first Disbursal, then subsequent part Disbursements of the Loan shall be the weighted average of the different rates of Interest applicable to the Loan forthwith from the date of such increase/decrease in the rate of Interest. PNBHFL may, in their sole discretion, amend/revise the rate of Interest suitably and
prospectively on account of change in the rate of Interest as per the guidelines/notifications/circulars issued by any statutory authority or any change in the internal policies of PNBHFL or if any unforeseen or extraordinary changes in the macro-economic conditions take place during the period of the Loan Documents.
