

'NO FIRM ASSURANCES'

Uddhav 'hears' Congress grievances

SANDEEP ASHAR
MUMBAI, JUNE 18

Uddhav Thackeray, Balasaheb Thorat, Ashok Chavan

AN HOUR-LONG meeting between Chief Minister Uddhav Thackeray and senior Congress leaders Balasaheb Thorat and Ashok Chavan at Matoshree on Thursday ended without the Congress camp getting any firm commitment on the issues it had raised.

But both Thorat and Chavan dismissed any reports of rancour, describing the meeting as being "extremely positive and satisfactory".

This was the second consecutive meeting between the two allies in the wake of Congress' displeasure at not being included in key decision-making process and meetings. On Wednesday, Shiv Sena Rajya Sabha MP Anil Desai, a trusted confidante of Uddhav, had held talks with Thorat, who heads the Congress in Maharashtra.

At the meeting, sources said Congress mainly raised the issue of unequal distribution of development funds among constituencies represented by MLAs from

the three ruling parties and complained of how party ministers were not being actively consulted for policy decisions pertaining to even some of the departments headed by Congress.

A proposal for the formation of a separate infrastructure board in the Ashok-led PWD was cited as a case in point. The Congress complained that the proposal was formulated without consulting Chavan and may infringe upon his department's jurisdiction. It also raised an issue regarding appointments and transfer of bureaucrats in its department.

Sources said that while Uddhav gave Congress a patient hearing and said he would personally look into the issues, no firm assurances were given.

While the Congress also raised the issue of the overarching influence of the bureaucracy

in Uddhav's decision-making process, Thorat, however, said that "no specific person was discussed". Speculation is rife that Congress is not in favour of granting a further extension to Chief Secretary Ajoy Mehta, whose extended tenure ends on June 30.

On issues related to Chavan's department, Uddhav's assurance was to iron out differences through further talks, also involving Sena leader and Public Undertakings Minister Eknath Shinde, whose department is also a stakeholder.

Congress is also reportedly pushing for the implementation of a NYAY-like scheme in Maharashtra in the aftermath of Covid-19 pandemic and has demanded that the coalition announce cash transfers to vulnerable sections. While saying that he was "positive" about the scheme, Uddhav highlighted the

financial constraints faced by the state exchequer while assuring that the proposal will be considered, said sources.

Ironically, a panel appointed by the government for economic revival has also recommended such cash assistance for those in the unorganised sector.

At the meeting, Congress made it clear that it will not compromise on its demand for an equal share of seats in Legislative Council polls. Later speaking to mediapersons, Thorat said, "Equal seat distribution for Legislative Council polls was decided upon by the three sides before the government was formed. There is no need for further discussion in this regard."

The Congress, however, sounded upbeat about a "favourable" outcome of the meeting. "The meeting was extremely positive. We were never upset. But there were certain things that could only have been discussed face to face. The MVA is stable and will remain in power for the full five years," said Thorat. Chavan added, "The discussions were satisfactory. The Congress has presented its side on certain

issues related to public interest. We are now looking forward to an early decision regarding these."

It was the first complain by an ally. Thorat had last week opened up about the fault lines within the alliance. Upset at being treated literally like the third wheel when it came to decision making in the alliance, the Congress camp had sought a one-on-one meeting with Uddhav.

Later, in an interview to The Indian Express, Chavan had also come out on how there was a growing feeling among senior ministers of the party that their issues were not being heard or addressed. Alleging that a section of the bureaucracy was trying to engineer a rift in the coalition, Chavan also spoke on the need for Uddhav to rein them in.

Sounding off Sena and NCP, Chavan had further said that Congress' aim to keep BJP at bay should not be treated as the party's weakness. An editorial on Tuesday in Sena mouthpiece Saamana, in which Congress was compared to a "old, creaky cot", has further frayed the party's nerves, even as it sought to clarify that it was "firmly" in the MVA.

Monsoon rain lashes Mumbai; one dead

SANJANA BHALERAO
MUMBAI, JUNE 18

At Marine Drive in Mumbai on Thursday. Ganesh Shirsalkar

FOUR DAYS after the India Meteorological Department (IMD) declared onset of Southwest monsoon over Mumbai, the city received widespread rainfall on Thursday. Heavy to moderate rain, accompanied by wind, lashed the city and its adjoining areas, including Thane, from Thursday afternoon.

One person died as rains lashed the city. The unidentified body of a 38-year-old man was recovered from Vihar lake by Mumbai Fire Brigade at around 11 am on Thursday. In another incident, three persons were injured after a house collapsed in Jogeshwari East. Minor water-logging was also reported.

The IMD has forecast light to moderate rain for Mumbai and Thane region for next four days. Over the next 24 hours, the city and its suburbs can expect cloudy conditions with intermittent rain and heavy rain at isolated places, the IMD said. K S Hosalkar, deputy director-general (western region) of IMD, said that the reason for the rains picking pace was owing to a circulation over north Konkan and its neighbourhood. "The city is likely to see continuous rainfall activity overnight with intermittent heavy spells of rain," said Hosalkar.

Between 8.30 am and 5.30 pm on Thursday, Santacruz recorded 36.6 mm rain while Colaba recorded 26.2 mm rain. According

to the weather department, 15.6 mm to 64.4 mm rain is considered "moderate", 64.5 mm to 115.5 mm "heavy", 115.6 mm to 204.4 mm "very heavy" and more than 204.5 mm "extremely heavy". From June 1 to June 15, 8.30 am, Santacruz weather observatory recorded 247.5 mm rain.

According to the location-wise rainfall data by the civic body, Chembur fire station recorded heavy downpour at 77.45 mm of rain in 10 hours until 6 pm. Waterlogging was reported at Amar Mahal junction in Chembur. A civic official said the rainwater from low lying areas was receding and there were no traffic disruptions reported.

Three persons, including a senior citizen, sustained minor in-

juries after a ground-plus-one chawl structure collapsed at Jogeshwari East on Thursday afternoon. In another incident at Kurla West, a portion of the dilapidated Mehtab society collapsed. No one sustained any injury in the incident. Mehtab building has been declared dilapidated and in January this year, a major fire incident gutted 12 out of 120 rooms. Many residents had vacated the structure and at the time of the collapse, the affected portion had no inhabitants.

BMC officials said the chawl structure at Meghwadi area in Jogeshwari East collapsed, injuring its residents. The injured - Sakira Shaikh (22), Tauseef Shaikh (28) and Fatima Qureshi (60) - were taken to Cooper hospital

and discharged after treatment.

The average rain recorded in Eastern suburbs in 10 hours was 52.6 mm, followed by island city at 37.43 mm while Western suburbs recorded 34.04 mm of rain. After Chembur station, Rawali camp in Matunga east recorded heavy rain at 70.59 mm, followed by rain gauge at M/west ward office at 70.09 mm of rain on Thursday. BMC on Thursday refuted claims of flooding inside the BKC Covid facility due to heavy rain. A statement released by BMC said due to leakage in tap in the washroom of the facility, there was water stagnation for a few hours which was repaired.

BMC on Thursday received 18 tree and branch fall and five short circuit complaints.

IRB Infra pays 1st instalment of Rs 6,500 cr to MSRDC

EXPRESS NEWS SERVICE
MUMBAI, JUNE 18

IRB Infra said this was India's single largest concession under the TOT model for tolling and O&M.

IRB MP Expressway Private Limited, a Special Purpose Vehicle of IRB Infrastructure Developers Limited, has obtained the financial closure for the Mumbai-Pune Expressway - its first Toll-Operate-Transfer (TOT) project.

The company on Thursday made the payment of the first tranche of Rs 6,500 crore as an upfront sub-concession fee to the Maharashtra State Road Development Corporation (MSRDC). Its chairman and managing director, Virendra D Mhaikar, said: "Achieving financial closure, amounting to a whopping Rs 6,610 crore debt, for India's largest Road TOT project in these difficult times was a massive ordeal, especially with more

than half the stipulated time being tied away in lockdown. This feat validates lenders' trust in project's merits, company's financial track record and credit worthiness; as also our domain expertise and execution capabilities in developing and managing large

highway infrastructure." "We are grateful to our lenders for their trust and comfort for financing the project, and to all other stakeholders at all levels, who provided their valuable support and cooperation in these challenging times."

The project stretches over 205.4 km, including the expressway and section of NH-48 - the old Mumbai Pune corridor. After having managed the concession for 15 years until August 2019, IRB Infra bagged the concession again in February 2020 for another 10 years and 2 months.

IRB Infra said in a statement that this was India's single largest concession under the TOT model for tolling and O&M, which commenced from March 1, 2020.

"Total sub-concession fee amounts to Rs 8,262 crore, of which IRB Infra has paid MSRDC the upfront fee of Rs 6,500 crore. Further staggered payments of Rs 850 crore in year two, Rs 850 crore in year three and Rs 62 crore in year four have been tied, and will be made as per the concession guidelines," the statement added.

HC directs Customs to hand over feeding tubes to cancer survivor

OMKAR GOKHALE
MUMBAI, JUNE 18

IN A relief to a cancer survivor, the Bombay High Court on Thursday directed the Customs authority to hand over a parcel containing feeding tubes imported from the US, which were withheld by the authorities within 24 hours of arrival.

A division bench of Justice SJ Kathawalla and Justice Nitin R Borkar heard through videoconferencing a petition by Samir Patel, a cancer survivor, who sought directions to the Customs authority to release feeding

tubes imported from the US. The petitioner, who was diagnosed with oral cancer in 2016, had imported four boxes of feeding tubes, labelled 'Osmolite Nutrio N-Food for Tube Feeding Patient', through a courier agency. However, assistant commissioner of Customs, Air Cargo Complex at Andheri, withheld the packets on "unclear" grounds. The court directed the Customs authority to ensure that the parcel was handed over to the lawyers of petitioner or representatives within 24 hours and if any formalities required to be carried out, could be complied with even after the parcel is handed over.
